Performance da competizione, spirito da agonista

Ortles 297+ è la front in carbonio con sospensione da 100mm progettata per un uso XC. Il carro posteriore è estremamente compatto e reattivo e permette di scaricare gran parte delle vibrazioni posteriori sul top tube. La sua conformazione Boost con interasse da 148mm è progettata per supportare perfettamente lo stress, garantendo prestazioni eccezionali in ogni condizione di sforzo. La possibilità di usare ruote da 29" fino a 2.35 di sezione e l'avantreno particolarmente stabile e maneggevole, rendono ORTLES 297+ veloce e scorrevole anche in presenza di fondi impegnativi.

Competition performance, agonist spirit

Ortles 297+ is the carbon front with 100mm suspension designed for the XC use. The rear stay is extremely compact and responsive and allows you to unload most of the rear vibrations on the top tube. Its Boost conformation with 148mm wheelbase is designed to perfectly support stress, guaranteeing exceptional performance in all conditions of effort. The possibility of using wheels from 29" up to 2.35 in section and the particularly stable and easy to handle front end make ORTLES 297+ fast and smooth even in the presence of challenging surfaces.
