

REP'AIR ROAD TUBELESS

Rep'Air has been designed for the repair of all Road Tubeless tires. The kit can be used two ways. First, the glue can be applied directly to fill small holes and cuts in the tread. Secondly, patches can be used to repair larger punctures (up to 5mm) thanks to some drops of glue. The special formulation of Hutchinson Rep'Air patch keeps its elasticity to ensure excellent repair whatever the puncture.

USE	DESCRIPTION	DIMENSIONS	CODE
Road	Repair kit: 4 round 17mm patches + 1 x 5g tube of instant adhesive + emery cloth + 1 user's guide	4x17mm + rubber glue	AD60033
